| 2012 | Paris, France |
| 2010 | Cairo, Egypt |
| 2008 | Marrakesh, Morocco |

What is META?

Why become a Sponsor?

META is the major event in the field of Nanophotonics and Metamaterials (966 participants from 43 countries attended the in-person 2023 edition in Paris).

We anticipate that META 2024 in Toyama will be an exceptional venue to communicate your products, capabilities and services to potential new customers and to solidify relationships with existing customers.

As a Sponsor & Exhibitor at META 2024 you will be able to:

- Build and reinforce name/brand recognition of your organization and products among a big number of research engineers, scientists and professionals in related industries.
- Promote your latest advances and discoveries.
- Give your company exposure to International research communities.

The International Conference on Metamaterials, Photonic Crystals and Plasmonics (META) features every year the latest developments in the area of Nanophotonic, Metamaterials and related topics.

The conference program consists of plenary lectures, keynote talks, special sessions of invited talks, and high-profile general sessions that typically cover a broad range of exciting physics, such as metamaterials, metatronics and graphene metamaterials, plasmonics and nanophotonics, plasmon-enhanced photovoltaics, photonic crystals and cavities, quantum photonics, nanobiophotonics, near-field optics, acoustic metamaterials, optomechanics, nanofabrication technologies, etc.

The origin of the conference dates back to 2002 as a NATO Advanced Research Workshop at a time when many of the current topical research areas began to emerge from the field of complex electromagnetic materials.

SPONSORING AND EXHIBITION OPPORTUNITIES

Exhibits Opportunities

META 2024 provides an integrated exhibition area close to technical sessions and coffee to ensure frequent attendance. This is an excellent chance to present your company and its recent results, as well as to get in touch with other young and senior scientists from industry and academia. The exhibition will open on Tuesday 16 July and will close on Friday 19 July.

Platinum (€9.000)

- Banner or roll-up of your company displayed at the registration area (company to provide the banner).
- 3h rental of a room discussions or small presentations to a target group (AV equipment included); content to be approved by META organizing committee.
- Conference delegate passes for 3 representatives of your company or your chosen guests (including coffee breaks & the conference dinner).
- Company description on the website (up to 90 words).
- Complimentary 6m x 3m exhibition booth including 2 tables and 4 chairs, light, power supply.
